listed document to be sufficiently pertinent to use in a rejection, or otherwise does not consider a document to be prior art for any reason, or even if the Examiner does not believe that the guidelines for citation have been fully complied with respect to a particular document.

Applicant makes this request so that each document becomes cited on the face of a patent issuing on the present application.

Applicant submits the present Information Disclosure Statement is in compliance with 37 C.F.R. § 1.56, but by listing such documents Applicant is not admitting that such documents are necessarily relevant or prior art. Applicant earnestly solicits early and favorable consideration.

Very truly yours,
